

9:16 RATIO – (PORTRAIT)

37x65cm (14.4" x 25.6) MAXIMUM

HOW TO PRINT

1. At home if you have a printer
2. At your local print shop or photo centre.
3. Using an online print service with high resolution service.

TIPS

1. For best results we suggest printing on high-quality paper.
2. Mobile Tip: Save to Files (not Photos) to avoid compression.
3. Create a gallery wall by framing, hanging up with decorative frames.
4. Cropping is not advised for motion cypher images.
